

Alice webinar: Activities/Services April 2012

Watch a demo: What makes activities count on reports; Link Service Names to Service Types; Enter activities individually or in batches; Customize Service Names and Service Categories; Look at some Activities reports. About 1 hour.

NOTE: The service names and types used in the webinar are for demonstration purposes only. For accurate reporting of various kinds of services follow the guidelines in the handouts or help documents, or contact your funder.
