

2011 & 2012 Wisconsin Domestic Violence Homicide Report Released

golive: September 30, 2013

expires: October 27, 2013

October is Domestic Violence Awareness Month. In preparation, End Domestic Abuse Wisconsin has released the 2011 & 2012 Wisconsin Domestic Violence Homicide Report, which documents and analyzes the domestic abuse fatalities of the previous two years.

Our intent is to honor the victims and survivors of domestic violence homicide. We also want to support Wisconsin communities to create opportunities for intervention and the prevention of homicide.
