

? Learn about SAF-T (Sheltering Animals & Families Together)

Is this a DVAM Event?: No

Go live:

July 11, 2013

When: July 17, 2013 at 2-3:30pm Central Time (repeat of July 12 session)

Where: Webinar

When a domestic violence shelter is unable to help a family with pets, they are missing an opportunity to help a large segment of their community and end the cycle of violence. Through participation in this 1.5 hour webinar, presented by Allie Phillips, SAF-T Founder advocates will learn about the linkage between the urgent need to protect domestic violence victims and their pets from further abuse, and about the comfort that pets can provide, especially in times of stress and trauma.
