

TESS Talks: Select Issues Related to Property

When: December 15, 2014 from 1-2 PM

Where: At your desk

Join Director of Justice Systems Tess Meuer for a general overview of issues related to property, such as when and how a person can either retrieve or dispose of property left behind, and additional select property issues such as the Marital Property Act and division of debts during marriage, at divorce and at the time of death. See *Details* for more information and to register.

Join Director of Justice Systems Tess Meuer for a general overview of issues related to property, such as when and how a person can either retrieve or dispose of property left behind, and additional select property issues such as the Marital Property Act and division of debts during marriage, at divorce and at the time of death.

The information provided in the handouts and in the webinar is general in nature and is not intended to address fact-specific scenarios, but rather is designed to provide an overview of legal concepts related to property issues.

This is the last in the 2014 series of *TESS Talks* and *Mondays with Morgan!* To register, click [HERE](#) .

Although they will be offered less frequently, legal technical assistance webinars will continue in 2015.
