

WE LEAD (Wisconsin Empowered! Leadership Enrichment and Ally Development)

When: December 5-6, 2013

Where: Madison

WE LEAD is a yearlong leadership academy focused on building new voices of leadership within the movement to end domestic and sexual violence. It provides hands-on leadership development for survivors of violence and people from underserved or under-represented communities.

Note: The application period for this opportunity ended in March. This is the fourth session of the 2013-2014 WE LEAD Leadership Academy.

WE LEAD is a yearlong leadership academy which focuses on building new voices of leadership within the movement to end domestic and sexual violence by providing hands-on leadership development opportunities for survivors of violence and/or people from Wisconsin's underserved or under-represented communities.

WE LEAD Leadership Academy participants:

- Learn about their personal leadership style and enhance their skill and capacity as leaders and change agents in various spheres of influence;
- Learn about key leadership concepts and cutting edge theories and practices regarding prevention and intervention of domestic & sexual violence;
- Become a part of a growing cadre of advocates and/or ally leaders who are committed to ending domestic and sexual violence.

Note: The application period for this opportunity ended in March. This is the third session of the 2013-2014 WE LEAD Leadership Academy.
